

## World Space Week Library Ideas

Reach for the stars with [World Space Week](#) resources 4 – 10 October, 2018

Celebrate with some activities for young people with titles like these:

### Junior non – fiction

- *Aircraft* / Storey Rita. Simple instructions, equipment lists and templates to help you make working models, including a hot-air balloon, hammer glider, Bernoulli glider, rotor-copter, rubber-band aeroplane and a catapult glider. For the budding inventor.
- *The big book of cartooning*: an adventurous journey into the amazing & awesome world of cartooning! / illustrated and written by Dave Garbot. Includes drawing awesome aliens
- *Brick by brick space* / Warren Elsmore. More than twenty-five amazing projects to build with your LEGO bricks. Create space stations, satellites, planets, rocket ships, and more.
- *The funniest space joke book ever* / by Joe King; illustrated by Nigel Baines. Why did the sun go to school? To get brighter! Kids will be over the moon! 7+.
- *Guinness World Records: science & stuff*. Includes: What happens when you burp in space, Why was cabbage banned on the International Space Station?
- *How to be a scientist* / written by Steve Mould. Provides step-by-step experiment instructions including: The solar system; Create your own sunrise; Phases of the moon; and Watch a meteor shower, Make a Sundial.
- *How to draw amazing airplanes and spacecraft* / by Kristen McCurry; Includes Apollo command module, Space shuttle with rocket launcher and more.
- *Learn to draw Angry Birds Space* / [step-by-step illustrations by Kristina Marroquin-Burr].
- *Pop, sizzle, boom!*: 101 science experiments for the mad scientist in every kid / Amy Oyler ; Hands-on experiments ranging from physics to geology to astronomy, and more. Daring and dramatic experiments include: Mentos-powered rockets, solar energy and more.

## Picture books list

Here is a [list of picture books](#) for story time during Space Week. Don't have these titles in your library? Look for other titles on the same themes on your shelves.

## Kanopy

Here is a curated [list of films on space](#) for young children. There are lots more titles on the Kanopy website. Did you know that you can show a Kanopy film in your library? Find out [more here](#).
